

RALLY OF THE WINE CHÂTEAUX

- Duration:** 3 nights / 4 days
Dates: Friday 21st May to Monday 24th May 2010
Car: Bring your own classic
Accomm: Château accommodation with breakfast (based on two sharing)
Price: 720€ per person (discounts available for large groups)

The Rally of the Châteaux experience is held in late spring, when the vines are starting to flower, and is a truly magnificent event. Over 150 classic cars of all marques take part in the non-competitive event over the course of the weekend.

Held in the Premières Côtes de Bordeaux and Cadillac wine appellations each team's routes take them through the scenic Bordeaux vineyards from one Château to the next. Tours of each Château visited can be undertaken together with the opportunity to taste and buy great quality wines at Châteaux door prices.

Accommodation is organised at one of three Châteaux. Each offers a unique base for a truly memorable stay in the region and each has its own pool to enjoy.

The three night itinerary includes breakfast, lunch and evening meals on each day. The first evening meal is at the guests' Château accommodation. Lunch is provided at a bistro on the Saturday and on the Sunday lunch will be served at a wine producing Château. The end of the first day of the rally finishes in style when guests enjoy a 6-course tasting menu at a gastronomic restaurant. Guests are chauffeured there and back from the restaurant in order that they can all enjoy wine with their meal.

Throughout the holiday Gourmet Touring is on hand to provide local knowledge and 24-hour assistance of any kind. A bespoke touring guidebook to the region is also supplied which enables participants to explore other parts of the region either side of the rally.

Prices exclude travel to France but include entry to the rally and all meals. Numbers are strictly limited. Bookings should be made no later than 30th March 2010 to avoid disappointment. Call us directly after that date.
