If you enjoy live music but stadium concerts are not your cup of tea then you may be interested in a Gourmet Touring weekend to the 'Les 24 heures du Swing' in Monsegur. Monsegur is a small pretty 12th century bastide town, which is transformed once a year when it hosts its 24 hours of swing.

From the Friday night through to the Sunday evening the town hums and taps to several beats, entertaining young and old alike. It is mostly jazz and blues that is played, by predominantly national and international artists. One does not get the big chart toppers here and that lends itself well to the unpretentious nature of the event and its popularity locally.

Gourmet Touring is offering a three night stay from Thursday 1st July to Sunday 4th July. The itinerary includes a weekend pass for 'Les 24 heures du Swing' in Monsegur, two lunches at gastronomic restaurants, a hire car and accommodation at a nearby Chambre d'hotes.

During your stay you will be provided with a bespoke touring guidebook and accompanying GPS system which enables you to tour around the region's medieval villages, abbeys and châteaux with effortless simplicity.

You cannot leave the region before sampling and learning about its rich wine heritage, so visits to a number of vineyards will be pre-booked for you.
